Tuesday 21st September 2021

Dear Parents/Carers

Our Apple Day is on Saturday 25th September between 1:00pm and 3:00pm.

Apple Day celebrates our apple trees and the fruit we gather from them.

We try to be imaginative and creative in the ideas we share with you for using apples.

We have organised some art and craft activities such as: apple printing, apple collage, salt dough apples etc. There are also some apple activities such as apple bobbing and making apple juice.

There will be refreshments available.

We are asking if parents/carers could donate apple treats such as: apple pies, apple crumbles, apple muffins etc. for us to sell on the day.

At Apple Day we usually do not charge for the activities or the refreshments, but ask for donations. We plan to do this again this year too. However, we realise that some people do not use cash anymore and so, if you would prefer not to use cash on the day, you can make your donation using School Comms. We have set a minimum donation of £1:00, but you may donate more if you wish too. Any money donated to the school for this day will be spent on Eco projects in the school grounds.

Apple Day is a popular, but smaller event than the Summer Fair or Christmas Fair at The Ryde so you could plan for your visit to last approximately 30-45 minutes.

We look forward to seeing you on Saturday.

Yours sincerely,
