15th September 2021

Dear Parents

BIKEABILITY TRAINING

We have a tradition of offering a Bikeability Programme for Year 6 in the Autumn Term.

The training consists of a 2-part training programme – the first part being in the playground and the second part on the road. The programme has always been valued by both children and parents.

This will involve the children learning some parts of the Highway Code and undertaking skills and cycle safety activities in the playground. Hopefully this will help if children are out and about riding their bikes during the Summer holidays.

The training will take place each day on 20th, 21st and 22nd September.

The children will spend Day 1 in the playground but for the remainder of the days will be trained in groups of 6 or 7 out on the roads adjacent to the school.

If you would like your child to participate in this Bikeability training they will need to bring a bicycle to school on each of these days. Bicycles cannot be left on the premises overnight.

Bicycles will be checked on the first day and should be in a roadworthy condition and a suitable size for your child. Helmets must be worn.

In order to offer children this opportunity I do need some extra helpers to assist the instructors. If you are able to give up one morning or afternoon to assist I would be very grateful. Unless I get extra helpers we will not be able to run the training this year.

Please return the attached slip to school by Friday 17th September.

Yours sincerely

Mrs Sue Thompson

Bikeability Training – 20th, 21st and 22nd September 2021

I give permission for _____ to take part in the Bikeability training programme. He/she will be able to bring a bicycle in roadworthy condition to school each day and has a helmet to wear.

Signed (Parent/Guardian)

Name _____

I am able to assist with the Bikeability training on the following days:-
