Enrichment Activities:

How you can help your child:

- Read daily with your child including practicing high frequency words.
- To develop an understanding of a text, ask your child questions when reading e.g. who were the main characters? What was the problem in the story? What did you like about the text?
- Practice handwriting and encourage your child to write shopping lists, letters, stories etc.
- Practice different maths topics we have covered so far e.g. number bonds to 10 and to 20 and 50, addition and subtraction within 20, finding the difference.
- When playing games, incorporate maths; rolling a die, moving forwards and backwards, talking about time.
