PSHE	Dreams and Goals. Healthy Me.	
------	----------------------------------	--

Enrichment Activities:

STEMPoint work shop – linked to everyday materials.

How you can help your child:

- Read daily with your child including practicing high frequency words.
- To develop an understanding of a text, ask your child questions when reading e.g. who were the main characters? What was the problem in the story? What did you like about the text?
- Practice handwriting and encourage your child to write shopping lists, letters, stories etc.
- Practice different maths topics we have covered so far e.g. number bonds to 100, addition and subtraction within 100, reading the time and times tables using the Times Tables Rock Star app.
- When playing games, incorporate maths; rolling a die, moving forwards and backwards, talking about time.
