Dear Nursery Parents and Carers

We have been working hard in school to further improve our Early Years provision and implement the new Early Years Framework. All Nursery and Reception staff have had training and we have benefitted from the advice of an Early Years advisor. Training will continue through the rest of the Spring Term so there will be some disruption to the staffing of the nursery during this period. However, I would like to reassure you that all the staff that work in the nursery are known to your children.

For those parents/carers that use our afternoon wrap around care, I would like to inform you of some changes that will be taking place after half term. The wrap around care will now be taking place in the main school building and so you will now collect your child from the school office.

The children will have their lunch in a small quiet room next to the main dining hall and will gradually move to the main dining hall in the summer term. The children will enjoy activities in the small library, hall and outdoors after lunch and will join reception class for some activities in the afternoons.

The quality of care will be very good and your children will have more opportunities develop and grow.

This will also help, for the children joining us in September, with the transition to Reception Class.

If you would like to discuss this further, please contact me through the school office and I will be pleased to speak with you.

Yours sincerely,

Sue Thompson
