Dear Parents

BIKEABILITY TRAINING

As you are aware the children have completed the first part of the bikeability training. The first part of the training was on the playground and the children will now be practicing out on the road what they are learnt so far.

The on road training will take place on 11th and 13th October.

The children will spend the days training in groups of 6 or 7 out on the roads adjacent to the school.

Your child will need to bring in their bicycle each day. The bicycles will be checked on the first day and should be in a roadworthy condition and a suitable size for your child. Helmets must be worn.

In order to offer children this opportunity I do need some extra helpers to assist the instructors. If you are able to give up one morning or afternoon to assist I would be very grateful. Unless I get extra helpers we will not be able to run the training this year.

Please return the attached slip to school by Wednesday 7th October.

Yours sincerely

Mrs Sue Thompson
