Friday 8th May 2021

Dear Parents and Carers

We are pleased to let you know about a new after school club starting on Thursday 20th May led by Ms Burns for Year 3 pupils. This will be an 'Geography Club'.

This will be for maximum of 10 children and places will be allocated on a first come first serve basis. It will be for 4 weeks on Thursday afternoons (20th May, 27th May, 10th June, and 17th June) starting straight after school with a drink and snack and then the club from 3.15pm until 4.30pm, when the children are to be collected from school.

The Geography club will encourage the pupils to follow one or more aspects of Geography they are interested in finding out more about, e.g. volcanoes, specific country, water cycle and your child will be able to develop skills for finding out about the topic of their choice for an independent project.

There will be opportunity for group games at the start and at the end of the session, however it is important for your child to state on reply slip what their focus/project will be about so that this is known before the Club starts (this will be discussed in school with Ms Burns).

If your child usually stays for After-School Club, they can attend this club and then re-join After School club at 4.30pm.

Please complete the slip below to register your child for Geography Club.

Any queries ask in the school office.

Yours sincerely

Mrs Sue Thompson

Geography After School Club

I would like my child _____ in Class 3 to take part in the Geography after school club.

The geography topic they would like to research/find out about in the club is

.....

Signed
