Dear Parents and Carers

I hope you and your family are safe and well.

Please find your child's report inside this envelope.

As you can imagine, writing an end of year report for your child was going to be problematic due to the pandemic and the school being closed.

Therefore, we have taken the decision to write your child's report on the learning they had from Monday 3rd September 2019 until Friday 20th March 2020. The teacher's comments and assessments reflect where your child's learning and progress was on 20th March 2020.

We plan to hold parent consultation evenings during week beginning Monday 28th September with updated assessment information. These two sets of information will give you a clear picture of where your child's learning and progress is. Your child's teacher will also be able to discuss any gaps in your child's learning and how we plan to address this.

I hope this information will be helpful to you.

Yours sincerely

Mrs Sue Thompson
Headteacher
