Headteacher: Mrs Sue Thompson

30th September 2020

Dear Parents/Carers

As you are aware we have had to cancel the planned face to face parents evening appointments. We have now decided that the best way to hold these appointments will be via a telephone call from the teacher to the parent. To book an appointment for a telephone call with your child's teacher you need to go to the following website:

<http://theyryde.parentseveningsystem.co.uk>

You will need to follow the on-line instructions carefully. The booking system will be available after 4.00pm today, Wednesday 30th September 2020. If you have any difficulties, please speak to the school office where you will be supported to make this appointment.

The booking system will close at 1pm on Monday 5th October 2020.

The telephone call will last no more than 10 minutes. You will see that the appointment times are set for 15 minute slots but this allows the teacher 5 minutes to prepare for the next telephone call.

When making your booking **please leave your name and contact telephone number in the message box**. The teachers will call at the time of the appointment. If it is not answered the first time, they will try two more times and if it is not answered then, they will move on to the next appointment. The number they are calling from should be displayed as a withheld or private number.

Teachers have been working hard with your children to find out the impact the lockdown has had on their academic progress and their well-being. These findings will be shared with you along with any catch-up strategies that may be needed.

We look forward to hearing from you.

Yours sincerely

Mrs Sue Thompson
