Headteacher: Mrs Sue Thompson

17th September 2020

Dear Parents/Carers

There will be parents evening during the week beginning Monday 28th September 2020. To book an appointment with your child's teacher you need to go to the following website:

<http://theyde.parentseveningsystem.co.uk>

You will need to follow the on-line instructions carefully. The booking system will be available after 11.00am on Friday 18th September 2020. If you have any difficulties, please speak to school office where you will be supported to make this appointment.

The booking system will close at 10.00am on Monday 28th September 2020.

To keep everyone safe, we have organised parents evening differently this year. The teachers will hold consultations in their classrooms with the doors open and seating will be socially distanced. Parents will be asked to enter the classroom through the external classroom door and not go through the building. I would ask that only one parent/adult attend and that neither your child or any siblings attend the consultations.

As it is so near to the beginning of term there will be no children's work to view at this appointment, so please do not arrive too early.

Teachers have been working hard with your children to find out the impact the lockdown has had on their academic progress and their well-being. These findings will be shared with you along with any catch-up strategies that may be needed.

Finally, I would ask all parents attending consultations to please wear a face covering. Please help keep our teachers safe.

We look forward to seeing you all

Yours sincerely

Mrs Sue Thompson
