Dear Parents and Carers

## Pedestrian Skills for the Foundation Stage

On Friday 24<sup>th</sup> January, an outside provider will be coming into school to run a session for all the Nursery and Reception children about Road Safety. For this session parents/carers are invited to come and join us to listen to what the children are being taught and to support their children during any activities that the provider may run.

The session will begin at approximately 9.00am, straight after the children have been registered and it will be held in the main school hall. The session will last approximately 45 minutes and you are invited to attend.

Please come along to our road safety session and participate with your child. As a parent or carer, you play the major role in helping your child to learn how to stay safe as a pedestrian. This is the perfect age to establish excellent road safety habits, which will stand them in good stead as they grow up.

I hope that you will be able to join us.

Yours sincerely

Mrs Sue Thompson
