

Personal, Social and Emotional

We will be continuing our learning about the importance of kindness in everything we do.
We will be learning how to talk about our feelings and how we can manage them.
We will be learning about the importance of making good choices.
We will be learning how to cope with new challenges that may be a bit tricky.

Communication and Language

We will be building on our conversation skills and asking appropriate questions.
We will be exploring a wide range of vocabulary and non-fiction books.
We will be using our talking skills to help us solve problems and explain how things work.

Physical Development

We will continue to explore how our bodies can move in different and creative ways.
We will be working on our body strength to improve our co-ordination and balance.
We will be developing our cutting scissors and using scissors effectively.
We will continue our learning on the importance of keeping our bodies healthy through exercise, healthy eating and keeping our teeth clean.

Learning Experiences Spring 2022

Food, glorious food.

We will be exploring a variety of different foods and where they come from.

Going on a journey.

We will be exploring different ways of going on a journey and what we might see.

Literacy

We will continue to practise our segmenting and blending skills in phase 2 and phase 3 phonics.
We will be beginning to spell words using our phonic knowledge.
We will be learning how to form our letters correctly.
We will be using key stories to inspire our writing.

Mathematics

We will continue our learning on understanding numbers to 10 using a variety of mathematical language – parts and whole.
We will be using our subitising skills to remember number bonds to 10.

Understanding the World

We will be investigating simple maps.
We will be comparing different environments to the one that we live in.
We will be learning about Pancake Day and Chinese New Year.

Expressive arts and design

We will be exploring a new painting and creative area during child initiated learning.
We will be designing and building a new invention.
We will be learning about the painting 'A Shipwreck in Stormy Seas' by Claude-Joseph Vernet.
