Dear Parents/Carers

We are going to be holding a Scootability course at The Ryde School on Wednesday 29th January 2020.

It will be available to all children in Reception class. It will give them the opportunity to learn both scooter handling skills and road safety awareness within the safety of the school grounds. Your child will then be presented with a 'scooter licence' after completing this course.

They will need to bring their own scooter to school on this day, if they have one.

If you would like your child to take part in the Scootability, please sign and return the slip below to school by Monday 27th January.

Yours sincerely

Mrs Sue Thompson
